CAMP FIRE BOYS AND GIRLS

Motto:
"Give Service"

Colors:
Red, White & Blue

Camp Fire is a non-profit youth agency founded in 1910 for boys and girls, kindergarten through twelfth grade. Camp Fire provides, through a program of informal education, opportunities for youth to realize their potential and to function effectively as caring, self-directed individuals responsible to themselves and to others, and as an organization, to seek to improve those conditions in society which affect youth.

Camp Fire programs are designed around 5 basic areas called trails. Within the 5 trails are projects and activities designed to help youth develop creativity, compassion and a desire to serve and to make them feel an important part of their family and community, stimulate them to seek out new knowledge and skills, and teach them to appreciate nature.

Camp Fire is camping. Camp Tayanita, located 10 miles south of Lisbon in Wayne Township and Camp Kinoka near Beaver Creek State Park, provide Columbiana County youth with a rich camping experience. Camp Fire youth and adults have 2 beautiful locations to explore nature and practice outdoor camping skills. Camp Fire camping involves star gazing, weather watching, bug catching, playing, singing, physical fitness, and group living.

Tayanoka Council of Campfire is open to all youth in Columbiana County.

CAMP FIRE LAW
