Rules - All species will conform to all Uniform Junior Fair Rules found on pages 6-10 of this handbook. Please read these rules.

1. All goats must have a scrapies tattoo or tag number from the USDA.
2. Two (2) market goats may be registered, weighed and tagged on Thursday, *April 28, 2011* at the Hog Barn at the fairgrounds between 6:30 p.m. and 8:00 p.m. Animals will be tagged with OSDA tags by committee at weigh in. Lost tags must be reported to the Goat Committee within 3 days and arrangements made to have the animal retagged. Scrapies tags *must be on the animal prior to weigh in*. Only one (1) market goat may be exhibited and sold at the fair. Market goats must be born after December 1st of the previous year. Market Goats *must be wethers* and weigh 50 lbs or more at the fair to compete for Grand and Reserve Champion. All exhibitors selling their market goat must be in the barn at 3:00 p.m. the day of the sale. The goats appearance and yours should be neat. The market goat sale is a partial-terminal sale. *****2012 Market Goats will have to be born after January 1, 2012.***
3. Only one entry may be entered per person per class. Check the show list before the day of the show to make sure you are in the correct class.
4. No buck goats may be housed or shown at the fair.
5. All goats must not have horns or scurs over 3/4 inch with the exception of Boer Show goats. Market goats must be dehorned.
6. Straw is the only bedding to be used in the Goat Barn.
7. No rope type hay bags are to be used at the fair.
8. Showmanship order will be 4-H age, oldest to the youngest. Novice Showmanship Class is offered for first year or first time project youth between the ages of 9 – 12 years. Sign up for showmanship is in the goat barn on the office wall the morning of that days show. Showmanship is strongly recommended but not required. It is your responsibility to be in the show ring at the correct time for your class(es). The show will not be held for late arrivals, be ring side and be prepared.
9. Always attend and listen carefully at all clinics for possible changes in the rules or shows. There are several bulletin boards in the barn at the fair. **CHECK THEM OFTEN.** The committee will give you as much advanced notice as possible. It is YOUR responsibility to know what is going on with your project.

10. If there is a shortage of stall space the committee reserves the right to limit the number of goats each 4-Her may bring to the Fair. After your stall space is assigned to you by the committee you are encouraged to decorate it. Nothing may be in the aisle way. No thumb tacks are permitted. You must make sure that neither your goat or your neighbors goats can reach the decorations.
 11. All 4-Hers must sign up for one (1) goat barn duty session.
 12. Morning feedings, milking and pen cleaning must be done everyday by 11 am. Evening chores are to be done between 4 – 7 pm. If you can not be there to feed and clean, you must contact a committee member to make other arrangements. Have a committee member check your stalls in the mornings and mark you off. Failing to have your stalls checked daily and reporting for a barn duty will have your premium check withheld.
 13. All 4-Hers are responsible for feeding and watering their own animals each day. Never feed or get into the pen of someone else's goats without their permission. Do no lead or carry your goat up the midway past the steer barn at any time. Do not block the aisle of the barn with chairs, goats or wheelbarrows after 11 am..
 14. The committee provides shovels, pitchforks, rakes and wheelbarrows.
 15. No children will be allowed to stay in the barn overnight without being accompanied by an adult.
 16. On Sunday night, the exhibitor must clean the pen out between 7 pm – 10 pm. Do not put in new bedding. Pens must be checked by a committee member before the exhibitor is allowed to leave. No one may remove their projects before 8 pm on Sunday. If you are leaving a Market Goat, leave a thin layer of bedding and a small bowl for water we can throw away.
 17. The base date for computing the age of animals is the fair show day.
 18. Please remember we are only volunteers. We are doing everything we do so everyone has a great fair.
 19. If an animal receives a vet release the committee must be notified and arrangements made to remove the animal immediately. Vet released animals are not to be shown. See Rule 30 in Uniform Rules.
