 1. Certificate of Veterinary Inspection (CVI) issued within 30 days of the opening date of the exhibition.

 3. Show no evidence of infectious or contagious disease.
 4. All sheep and goats must be identified with official USDA identification (USDA approved sheep tags, USDA approved tattoos, or identification in the Scrapie Flock Certification Program)
 5. If the animal was born after January 1, 2002, it must have official USDA sheep/goat identification and be identified to the flock of birth.
- B. Identification requirements for sexually intact sheep and goats moving within Ohio for exhibition including sales
 6. Official USDA sheep/goat identification in the form of an approved tag or tattoo
 7. If the animal was born after January 1, 2002, it must have official USDA sheep/goat identification and be identified to the flock of birth either by an eartag or tattoo placed by the owner of the flock of birth, or a tag or tattoo placed by the purchaser.
 8. The identification requirements for flocks enrolled in the Voluntary Scrapie Flock Certification Program qualify as official USDA identification for exhibition and interstate movement; no other special identification is needed.

Ohio sheep and goat wethers that are less than 18 months of age exhibited in Ohio do not require USDA identification.

- C. Exhibition means any public show of animals which is sponsored by or under the control of an Ohio county or independent agricultural society OR the Ohio State Fair OR which is assembled for a period which exceeds 36 hours OR contains animals of origins other than Ohio.
